### Statement for Publication

Interlanguage Ltd has continued to run successfully since the last inspection on 2011. At that time, following the loss of Mark Hyrapiet, the Principal, Namita Kapila, was aided in administration by Tim Donovan of the sister company. He has now left and she is has the sole responsibility for administration and systems.

Tutors feel a strong sense of loyalty and students are able to develop their skills rapidly through the largely one-to-one teaching format and through the personal study plan approach.
