Statement for Publication

The organisation provides language courses of good quality. It has a long standing clientele and the fact that it does little or no marketing other than through its website, yet still remains busy, is a tribute to the professionalism of all who work and contribute to the school. Feedback from students, staff, group leaders and host families is very positive.

The school at Moor Cottage provides a welcoming and comfortable learning environment with all the necessary facilities a language school requires and many additional features. Teachers have been with the school for many years, they are well qualified and experienced and teach with a high level of competence, inventiveness and enthusiasm.

Points of Exceptional Quality or Innovation

- Six lessons were observed, all were graded as good. To meet the ABLS standard the majority of observed lessons must be assessed as average or good and there must be more good lessons than poor lessons. The fact that all lessons were assessed as good means that teaching exceeds the ABLS minimum standard.

Outcome of Inspection

The recommendation of the inspectors is to award accreditation for a further four years.
